such a manner, however, as to preserve intact the head, which shall thereupon be detached and immediately sent to the diagnostic laboratory of the Department of Agriculture. In case such dog cannot be safely taken up and impounded, it may be shot, care being taken to preserve the head intact which shall thereupon be immediately detached and be delivered to the diagnostic laboratory of the Department of Agriculture.

If, at the expiration of the **ten (10) days** no symptoms of rabies have developed in such dog so impounded, the same may be redeemed by the owner upon payment of the redemption fees and charges specified by this Chapter; provided, however, that in case any dog so impounded for biting a person shall have previously bitten any person, such dog shall be humanely destroyed by the poundkeeper.
